radKIDS yell loud, hit hard, and run fast!

**Objective of Parent Night:** To provide provide parents with important information and strategies to help keep children safe from abuse and abduction. Additionally, this event gives families an understanding of the radKIDS educational model and familiarity with the radKIDS curriculum, rules, and language used in the program for the children. PTA provides radKIDS Family Safety Manuals to all participating families so that parents can reinforce the lessons and lay the foundation for ongoing communication and empowerment for every child's personal safety.

### How can I sign up my student for radKIDS?

- In order to register your child in ANY radKIDS class this school year, a parent **must attend** the radKIDS Parent Meeting on **Tuesday 11/13/18 from 5:30-7:00** in the IRC. The Parent Meeting is for **PARENTS ONLY**. Childcare will **NOT** be provided at this meeting and the material is inappropriate for children.
- Parents, please **line up in front of the office** (the only entrance for this event) and be on time. Registration for classes fills up quickly!
- Please **check your child's after-school calendar ahead of time** and come prepared to the meeting knowing **which session will work best for your family's schedule**. Session dates are on the reverse side of this flyer.
- Each radKIDS class allows a **maximum of 20 students**. Since these classes remain in high demand, your child might be "waitlisted" for your first session choice. Please decide ahead of time whether or not your second session choice will work for your family's schedule.
- On a **first-come, first-served basis**, parents may register their child(ren) for one of the three radKIDS classes being offered this year. These classes are for CV students who **have not yet participated in radKIDS**. No exceptions will be made at this time.
- This Parent Night is **MANDATORY** for those wanting to enroll in the 2018-2019 classes and the **ONLY opportunity to register for radKIDS this school year**.

**radKIDS suggested donation:** The Canyon View PTA is excited to continue supporting safety empowerment with the radKIDS program --**no other school in Orange County offers such an important child safety program!** We appreciate suggested donations of \$25 (per child). Cash & checks will be accepted at the Parent Meeting. Please make checks payable to: "Canyon View PTA" (Please note radKIDS on the "memo" line.) Contributions are voluntary and all students will be allowed to participate regardless of whether a donation is made.

**We look forward to helping our students to feel more empowered and safe with this program!**
